REQUEST FOR QUOTATION – Water Bowser Rental

Tender reference	RFQ-MAP-PRO-004
Issue Date & Time	14th May 2026, 14:00
Closing Date & Time	18th May 2026, 23:59 (STRICTLY ENFORCED)
Submission Method	lantuold@gmail.com
Enquiries	lantuold@gmail.com

1. PROJECT BACKGROUND

Quotations are invited from suitably qualified and experienced service providers for the supply, establishment, de-establishment, maintenance or servicing of a water bowser which will be used for dust suppressions within Mapochs mine.

2. SCOPE OF SUPPLY

2.1 Equipment specifications

The specifications required on the supplied water bowser include but not limited to the following:

- The equipment supplied capacity should be 35000L, fitted with the necessary spraying mechanism and suction pump for refilling.
- Comply to the mine health and safety requirements (e.g. strobe lights, reflective; reverse hooters etc)
- Water bowser supplied must be in good conditions and have less than 8000 machine hours.

2.2 Other terms and conditions

- This contract is on a dry rate basis
- Equipment must be readily available as the company plans to place the order as soon as possible.
- Month to month renewal contract preferred.
- The contractor is responsible for the maintenance; servicing and repairs of the equipment.
- The company reserves the right to pay only the actual operated hours for the month and terminate the contract if the equipment availability is below 80% for the month.
- Site (equipment) inspection at an agreed date and venue will be conducted to winning bidder prior to delivery of machine.
- By submitting the bid, the contractor consent to their company details appearing in the Supplier Network Directory (Business Name, Services Offered, Community/Village Name, and B-BBEE Level).

3. MANDATORY CERTIFICATIONS & COMPLIANCE REQUIREMENTS

Quotations to be submitted with the following documents or information:

- 1) Valid Company Registration (CIPC)
- 2) Valid and current tax clearance certificate
- 3) Valid letter of good standing
- 4) BBBEE affidavit or certificate
- 5) Proof of address to be supplied (e.g. Municipal proof of address; Utility bill not older than 3 months; municipal rates and tax statement; signed lease agreement; title deed for the premise; traditional authority stamp)
- 6) Copy of director ID

4. SUBMISSION REQUIREMENTS

- Itemised quotation clearly specifying the establishment; de-establishment; rental and any other costs
- Quotation should be dated and signed.
- Quotation should be valid for 60 days unless indicated otherwise
- Quotation price should be inclusive of VAT. Should you not be registered for VAT, it should be clearly indicated on the quotation
- Please indicate whether the quotation is strictly to specification and if not state deviations and reasons for deviating from the requested specification.
- Quotation should be on service provider's letterhead.
- All submission should be electronic.
- Company profile with relevant experiences and references to be provided
- Proof of experiences to be included in the submission
- Machine make and model, photos of machines to be provided in the submission
- Machine hours photo to be provided in the submission
- Payment terms requirement
- Schedule of equipment establishment on site
- Specify what is covered or not covered in the rental cost (e.g. wear parts; lubricants; servicing)
- Specify minimum hours and standing time requirements.
- Anti-collusion provisions will be enforced to prevent bid rigging or collusive activities, with immediate disqualification if the company suspects any violations during the tendering process.

5. EVALUATION CRITERIA

- Price competitiveness and overall value for money
- Full compliance with processing requirements
- Full compliance with mine health and safety requirements
- Proven relevant experience and quality of references
- B-BBEE rating and score

- Confirmation of machine availability
- Payment terms of conditions
- Equipment conditions
- Machine availability and establishment schedule
